

**Bursaries offered to Students in an Honours
Degree Programme of the Faculty of Science
through the
'CUFSAA-NA Launch Pad Grant'**

CUFSAA-NA (Colombo University Faculty of Science Alumni Association-North America) is offering bursaries (approximately Rs 9000 per month) for the academic year 2026 to 36 students in the honours degree programmes of the Faculty of Science (currently 3rd or 4th year) who require financial support.

CUFSAA-NA is a non-profit organization of North America consisting of Alumni of the Faculty of Science, University of Colombo. It is an organization exclusively for social, charitable, and educational purposes.

Application forms are available in the faculty web page. Please email the duly filled form together with the requested supplementary material to the SAR of the Faculty of Science before May 11, 2026. The subject of your email should be 'CUFSAA -NA Launch Pad Grant'.

The faculty reserves the right to validate all information that is provided and cancel the bursary if false information has been supplied. The information provided will be kept confidential.
